Viticulture	Certified HVE 3 « Culture raisonnée » Soil tilling (4 ways) Vine growth management adapted to the climatic conditions
Harvest	Manual harvest Double sorting: manual and optical
Winemaking	In thermo-regulated concrete and stainless-steel vats Gentle & controlled maceration & extraction
Aging	16-18 months in French oak barrels (40% new)

■ History

Latour à Pomerol, which draws its name from the tower that adorns this charming château, was acquired by Mme Loubat, who also owned Château Petrus, in 1917. Etablissements Jean-Pierre Moueix has farmed the vineyard since 1962.

The vineyard is characterised by the diversity of its soils, which brings complexity and harmony to the wine: gravel and clay for a marvellous parcel next to the church of Pomerol; loam surrounding the château.

The vineyard receives the same care applied to all the Ets. Jean-Pierre Moueix properties: leaf-thinning and green-harvesting to allow for optimal grape maturity followed by a manual harvest. The wine ferments in concrete vats before being aged in oak barrels.

Château Latour à Pomerol is known for producing generous, concentrated wines that strike a perfect balance between elegance and power.
